

Team Code of Conduct

Project: Local Services Finder

Team Members: [Susan, Saurab, Vidhi, Vatsal, Abhishek]

Date: [30/01/2026]

1. Purpose

This Code of Conduct defines the expectations for team behavior, communication, and responsibilities. All team members agree to follow these rules to ensure a productive and respectful working environment.

2. Team Roles

- **Scrum Master (Susan):** Facilitates meetings and ensures Scrum principles are followed.
 - **Product Owner(Vatsal):** Oversees task tracking, documentation, and progress on the Git Hub.
-

3. Team Meetings

- Team meetings will occur **[insert frequency, e.g., 3-4 times per week]**.
 - Meetings should last no longer than **15 minutes** for standups.
 - Attendance is mandatory; if absent, notify the team in advance.
-

4. Task Responsibilities

- All assigned tasks must be completed by the deadline.
 - Team members are responsible for updating task progress on the Git Hub.
 - If a member cannot complete a task, they must communicate this immediately.
 -
-

5. Communication

- Use **[insert tool: Google Meet / WhatsApp / Zoom]** for updates and discussions.
 - Be respectful and professional in all communications.
 - Resolve conflicts politely within the team before escalating.
-

6. Participation & Accountability

- Every team member is expected to contribute fairly.
 - Non-participation may be addressed by the team or escalated to the teaching staff if necessary.
 - Collaboration is key — all work should be shared and visible to the team.
-

7. Lab Attendance

- All members should attend lab sessions together.
 - Lab time is part of teamwork and progress tracking.
-

8. Agreement

By signing below, each team member agrees to follow this Code of Conduct and contribute to the success of the project.
